TIP: ADD ADHESIVE SHEETS TO BACK OF TEXTURED PAPER BEFORE DIE CUTTING & USE STRAIGHT EDGE TO ALIGN LETTERS

## Card Tips & Dimensions:

- Base Card: Thick Basic White 5-1/2" x 8-1/2" folded in half
- Starry Sky Textured paper layer: 4" x 5-1/4"
- White layer for snowflakes: 3-3/4" x 5"

Step 1: Use Any color blue ink you wish, and add some color randomly to your white background with a blending brush.

Step 2: use the Abundant Beauty Mask, a blending brush and Starry Sky ink (or color of your choice) and add layers of darker and lighter snowflakes to the background.

NOTE: if you don't have a snowflake mask, you can use any snowflake stamp set like the [Sparkling Snowflakes](#).

Step 3: add adhesive sheets to the back of the Starry Sky Textured paper, and die cut NOEL 2 times from the [Joy of Noel dies](#). Peel off the backing and layer the 2 sets of letters together before adding them to your card for extra dimension.

Step 4: I like to use a T Square straight edge or ruler to make sure my letters are lined up straight.

Step 5: Layer the white layer to a Starry Sky [Textured paper](#) layer, tie the [White Iridescent ribbon](#) around the 2 layers, and onto a thick Basic White card base.

More info on this project [on my blog](#).
